## Product Features

GoProjector is the perfect gadget for your GoPro Hero sports camera. The compact projector displays all videos and photos from your GoPro via HDMI cable or via GoPro App. Simply connect the GoProjector to your Hero 4 (black & silver), 3+, 3 or 2 and share the content on a screen size of up to 150 cm (60") to maximize the visual experience. All cables and adapter for Hero 4 / 3 / 3+ are included in the package. With the universal HDMI port, a huge range of devices can be connected too. And even your MHL enabled Smartphone is immediately ready to start. The DLP technology used is the same as in large cinema projectors, which provides rich colors and deep contrast. Use GoProjector to show your sports skills live on a big screen.
