P-touch EDGE™

Easy to Use

- Smart Layout Technology automates making labels for your specific application – just type and print a label
- Intuitive keyboard layout and user interface – saves time printing labels

Durable Construction

- Rugged industrial design with rubber impact guards – helps to protect from bumps and rough handling
- New 2 year limited exchange warranty – quality and reliability you can count on

Great Performance

- Innovative operation and memory features – helps increase productivity and efficiency
- Complete labeling solution – comes with everything you need for one low price

Extrême Labels

- Uses TZ tape – full line of laminated labels that resist smearing, ripping and fading
- UL recognized (UL-969) labels – meets EIA/TIA/ANSI-606x labeling specification

P-touch EDGE™

**The sharper way
to label.**

- *Audio Visual*
- *DataCom*
- *Electrical*
- *Security*

Industrial Labeling Tools

The P-touch EDGE™ industrial labeling tools are designed to give you the competitive edge to be more productive, by labeling the job quickly and more efficiently. We know you are a professional and your work represents the best in service, quality and performance. Labels are a thumbprint of professionalism and P-touch® laminated labels make your work look as good as it performs. Their sharp print quality and great durability resists smearing and fading, and they are resistant to extreme temperatures, chemicals, moisture and abrasion. With innovative features like Brother's smart technology and download capability (PT-7600 only), why not experience the P-touch EDGE™ advantage for yourself.

P-touch EDGE™ PT-7600 / PT-7500 Key Features:

- Rugged design with rubber impact guards
- Smart layout key – Fast & easy way to make industrial labels
- Bright backlit display
- Large 62 point print size
- Prints 9 bar codes
- 164 industrial symbols
- 2 year limited exchange warranty

PLUS, both models include protective carrying case, AC adapter (AD-18), wrist / neck strap, and extra-strength laminated TZ tape (26.2')

Model PT-7600 Rechargeable, Download-Ready

For labeling bigger jobs and for applications that require more versatility. Designed for high-demand, on-site labeling.

Computer Connectivity*

The PT-7600 comes with easy to use, label design software for downloading custom label templates, company logos and graphics into the PT-7600 memory. For more productivity, transfer a Microsoft® Excel® or Access® database or wire list to the PT-7600, and quickly print labels from this database – just search, edit and then print!

* For download purposes.
Not a computer label printer.

Model PT-7500

Easy to use, high performance commercial and industrial labeling tool.

P-touch EDGE™

There's a TZ tape for every application!

The PT-7500 and PT-7600 use interchangeable TZ tape cartridges, an extremely reliable and quick solution for replacing labels. Simply match up your labeling application with any of these types of TZ tapes.

Laminated Tapes² for Cables/Wires

Polyester laminated label with a specific adhesive designed for wrapping or flag labeling applications

Model PT-7500 and PT-7600 Product Specifications

HANDHELD PORTABLE INDUSTRIAL LABELING TOOL

- Rugged Industrial Design with Rubber Impact Guards
- Powered By 6 AA Size Batteries (Optional Ni-MH Rechargeable Battery Pack (PT-7600 Only) or AC Adapter (Included))

SMART TECHNOLOGY

- Innovative Smart Layout Key Quickly Prints 8 Layout Designs for Industrial Applications
- Smart Tape Sensing Automatically Selects the Right Font Size and Label Length
- Complete Bar Code Printing Solution – Prints 9 Bar Code Symbolologies: 12of5, Code39/128, UPC-A/E, Codabar, EAN8/13/128
- Large Library of 164 Industrial Symbols

ERGONOMIC, CONVENIENT OPERATION

- Bright, Easy to View Backlit Display (15 Characters x 2 Lines, Plus Additional Text & Icons for Layout Settings)
- Easy Access Cutter with Open Cover Safety Lock

PRINT TECHNOLOGY

- Durable, Laminating, Thermal Transfer Printing
- Prints 5 Label Sizes (1/4", 3/8", 1/2", 3/4", 1")⁴
- Prints Up to 7 Lines (Normal) and Up to 26 Rotated Characters Per Line
- 8 Helsinki Font Sizes, 6 Styles and 4 Character Widths

SOFTWARE TOOLS (PT-7600 ONLY)

- PT-Editor 5.0 Label Design, Transfer Manager and Label Designs Library Software (Included)
- Compatible with Microsoft® Windows® 2000 Professional, Windows® XP, Windows® Vista® operating systems¹
- Download Up to 10 Custom Label Templates, Logos or Graphic Images (Up to 1MB Including Database)
- Transfer and Print Labels Directly From a Microsoft® Excel® or Access® Database File (Up to 999 Records¹)
- USB 1.1 Compliant (USB cable included)

OTHER SPECIFICATIONS

- Weighs 1.4lbs (Without Tape and Batteries)
- Labeling Tool Dimensions: 5.28" (W) x 9.25" (D) x 3.07" (H)
- UPC Product Codes
012502620372 (PT-7500)
012502620365 (PT-7600)
