

## HDMI CABLES

### CONNECT YOUR HDMI DEVICES

Connect your set-top boxes, game consoles, and Blu-ray players to your HDTV

### HDMI 1.4 STANDARD

Supports HDMI ethernet channel, enabling high-speed, bi-directional communication

### CONSTRUCTION

Double shield insulated copper conductor, gold - plated contacts, and a solid plug design

### HIGH-SPEED CONNECTIONS

Connect to your HDMI devices with D-Link's line of HDMI cables. These cables are HDMI 1.4 Standard certified, allowing you to confidently connect an array of devices to your HDTV with a simple single-plug connection.

### BUILT TO LAST

D-Link HDMI cables are built with 30 gauge wire for high-speed, error-free data transmission. The connectors are gold-plated for corrosion resistance, and to ensure you can create a solid connection.

## WHAT THIS PRODUCT DOES

D-Link HDMI cables help you connect your HDMI devices to your HDTV. Connect your set-top boxes, media players, game consoles, and more to your high-definition TV.
