

Logitech®

S-220™

Speaker System

Rich acoustics, sleek design and convenient audio controls

Logitech® S-220™ 2.1 Stereo Speaker System provides rich acoustics with a high-quality subwoofer and two satellite speakers delivering 17W RMS output. Designed for use with multiple platforms, Logitech's S-220™ Speaker System connects easily and offers great stereo audio for PC, CD or MP3 players. A wired control pod provides convenient remote access to volume and power controls. The control pod also allows headphone or microphone input satisfying more audio needs, for example, private listening, gaming and internet conferencing. Packaging has been optimised for system builders, integrators and value-added resellers. Comes with a 3-year warranty.

- Affordable 2.1 stereo speaker system with 17W RMS
- Sleek satellite speakers with ported subwoofer provide full and rich audio performance
- Convenient wired control pod designed to minimize desk clutter
- Control pod with headphone jack, microphone jack, volume and power controls
- Simple installation and easy connection to PC's, CD and MP3 players
- Available with EU (220V) or UK (240V) power supply
- 3 year guarantee
