Laptop Speaker Z305

For all-around sound from your laptop – to go

- **360-degree sound**
- **Simple, clip-on design**
- **Travel case**
- **Storable cord**
- **Plug and play**

Logitech® Laptop Speaker Z305. For all-around sound from your laptop – to go. Your speaker projects sound more evenly in all directions, so you get a great listening experience throughout the room. It attaches securely to most laptops and netbooks, so you can easily use it anywhere you use your computer – your office, your bed, the airport and more. The plug-and-play USB connection delivers power and pure, digital audio instantly – without the need for software or an external power supply. The USB cable tucks neatly into the back of your speaker, giving you a look that's sleek and clutter-free. And when you're ready to hit the road, this compact speaker fits easily into the included travel case or your laptop bag.
