

# LOGITECH® SURROUND SOUND SPEAKERS Z906

Hear every detail in room-shaking 5.1 theater-quality sound

This powerful THX-certified speaker system makes it easy for you to turn any room into a home theater. Hear every tire squeal, footstep and rumble the way the studio intended—in 5.1 discreet channels of explosive surround sound.

## FEATURE AT A GLANCE

5.1 Dolby Digital and DTS encoding accurately recreates the final surround sound mix in your Blu-ray, DVD and game soundtracks.

### THX-certified cinematic sound

- These speakers have met strict performance standards to earn the THX seal of approval
- Your ultimate assurance of a true theater-quality sound experience

### Easy, flexible setup

Plug in up to six devices simultaneously—your PC or Mac computer, TV, DVD player, DVR, Xbox 360, PLAYSTATION 3, Wii, iPod and more

### Window-rattling power

- 500 watts (RMS) of thunderous audio power
- Better power management allows peak subwoofer output for deeper bass with no sound loss from the other speakers

### Convenient control

- Compact, easy-to-stack control console fits right in with your home-entertainment system
- Wireless remote puts volume, mute, power and surround-sound settings at your fingertips

## WORKS WITH

- Computers, music players, TVs, Blu-ray™ and DVD players and other audio sources with digital optical, digital coaxial, RCA audio or 3.5 mm out
- PlayStation®2, PLAYSTATION®3, Xbox 360® or Wii™ using the AV cable that comes with your console

## WHAT'S IN THE BOX?

- Five satellite speakers
- Subwoofer
- Speaker connection wire
- 6-foot (1.82-m) six-channel direct cable
- Stackable control console
- Wireless remote
- 3 AAA batteries
- User documentation
- 2-years limited hardware
