Our website offers How-To Videos, FAQs, Policies

### **One-Year Limited Warranty Summary**

Your SpareOne hardware (exclude the AA Battery) is under 1 year warranty from from the date of original retail purchase. We do not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call SpareOne, or visit our website. Available service options depend on the country in which service is requested.

SpareOne service may be restricted to the original country of sale. Call charges and international shipping charges may apply. Full terms and detailed information about obtaining service are available at [www.spareone.com/support](http://www.spareone.com/support).

### **Battery**

SpareOne will work with the provided battery. SpareOne accepts NIMH, Alkaline or Lithium AA batteries. SpareOne will not work with carbon zinc batteries. Talk time and standby time will vary. We recommend using Energizer Ultimate Lithium L91 battery whenever possible for better standby and talk time.

### **FCC Compliance Statement**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### **WARNING:**

Risk of fire. The battery can explode or leak during charging if installed backwards, disassembled, charged, crushed, or exposed to fire or high temperature. Keep out of reach of children, & keep in original package until ready to use. Dispose of used batteries promptly.
