

SafeGrip™ for iPad®

K67792AM

Product Description

The iPad is a great learning tool, but it's just not built to survive the rigors of the K-6 environment. The Kensington SafeGrip preserves everything kids and educators love about the iPad, while adding rugged, padded protection the classroom demands. SafeGrip also adds features like a burly handle that not only prevents drops but even doubles as a handy two-position stand for viewing and typing.

Features

- Tough, padded protection against drops and bumps
- Built to survive the K-6, shared-use environment
- Protects screen against scratches and smudges
- Handle is sized for kids and prevents drops
- Handle doubles as a stand with type and view modes
- Built-in stylus holder and personalization pocket
- Preserves access to all ports
- Protects iPad 2 through iPad 4
- iPad not included
