# OVERVIEW

---

## UPPER BUTTON

## BOTTOM BUTTON

## RESET

- Power ON / OFF
- Hang Up
- Return to the Watch Face

- Confirm

- Long press the **two buttons simultaneously**

## NAVIGATE THE TOUCHSCREEN

Tap with one finger  
to open or select  
a menu item

Swipe right or left,  
up or down to navigate  
through the panels

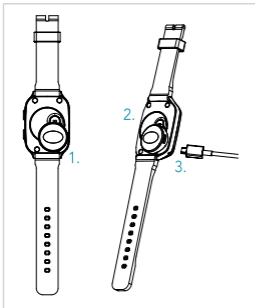

Swipe down  
to return to the  
previous screen

If you want to change your ZeSplash<sup>2</sup> watch face, press firmly on the current watch face, swipe left or right to go through the different watch faces available and tap on the one you want to select and use

# 1. CHARGING

Charge ZeSplash<sup>2</sup> for two hours before your first use

1. Put the charging cradle beneath the watch
2. Make sure the pins on the cradle fit correctly onto the charging terminals on the back of ZeSplash<sup>2</sup>
3. Connect the charging cradle with the USB cable
4. Plug the big end of the USB cable to a power source
5. A battery indicator will fill to indicate charging is in progress. Once ZeSplash<sup>2</sup> is charged, the battery indicator will be full

*i*

A full charge takes 1 hour. Unplug the cable after ZeSplash<sup>2</sup> is fully charged. When the battery level gets low, a low battery indicator will appear

## 2. SET UP

---

### ■ PAIR VIA BLUETOOTH AND MOBILE APP

When using ZeSplash<sup>2</sup> for the first time, you must pair it to your phone via Bluetooth. Bluetooth is on by default. For this:

- Enable Bluetooth on your mobile device
- Select ZeSplash<sup>2</sup> in the list of devices
- Tap Pair to confirm the pairing
- A Bluetooth icon on ZeSplash<sup>2</sup> display will confirm successful pairing

You only need to pair your device once. After the initial pairing, ZeSplash<sup>2</sup> will automatically connect to your phone as long as it is turned on and within range. To pair ZeSplash<sup>2</sup> to another device, repeat the same steps

## System Requirements

### iOS 8+

iPhone 4s, 5, 5c, 5s, 6, 6s, 6s plus and newer, iPad (3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> generation) iPad Mini, iPod touch (5<sup>th</sup> generation)

### SELECT ANDROID 4.3 +

ZeSplash<sup>2</sup> app is available for select Android 4.3 + devices that support Bluetooth 4.0

Visit [www.mykronoz.com](http://www.mykronoz.com) to get the latest compatibility list.

Search **ZeSplash<sup>2</sup> App** in the App store or Google Play Store, download and install the App on your mobile device

ZeSplash<sup>2</sup> will sync the notifications of SMS, emails, social media, calendar events, and personal life reminders once ZeSplash<sup>2</sup> App has been successfully installed on your smartphone. Please note some features will not work unless ZeSplash<sup>2</sup> App has been installed on your smartphone

### 3. CALLS

---

ZeSplash<sup>2</sup> allows you to make and receive calls.

#### MAKING A CALL FROM THE PHONE MENU

Go to the [Phone](#) menu, enter a number with the dialer pad and tap 

#### MAKING A CALL FROM THE PHONEBOOK

Go the [Phonebook](#) panel, select a contact, and tap [Call](#)

## INCOMING CALL OPTIONS

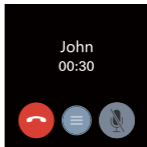

2

1

3

1. ANSWER
2. REJECT
3. MUTE

## IN-CALL OPTIONS

2

1

1. TURN OFF THE MICROPHONE
2. END CURRENT CALL

## 4. CALL HISTORY

---

From the [Call history](#) menu, see the list of recent incoming and outgoing calls. Tap on the call to view the contact's name, phone number and make a call directly or send a SMS (Android only).

## 5. SMS

---

After a successful Bluetooth connection and installation of [ZeSplash<sup>2</sup> App](#), you can read SMS messages on your ZeSplash<sup>2</sup>

### **QUICK REPLY**

You can reply using the SMS template (Android only)

## 6. NOTIFICATIONS

---

After successful Bluetooth connection and installation of [ZeSplash<sup>2</sup> App](#) on your smartphone, ZeSplash<sup>2</sup> will show notifications of SMS, emails, social media, calendar events and personal life reminders. On [ZeSplash<sup>2</sup> App](#), tap Notifications tab to select the notifications you want to receive onto your watch. If you wish to disable certain notifications, swipe the selection button to the left.

### SETTING UP NOTIFICATIONS FOR IOS USERS

Go to the [Settings](#) of your iOS device:

- Tap [Notifications](#)
- Select which type of notifications you wish to receive on ZeSplash<sup>2</sup>
- Enable [Show in Notifications](#) to receive the notification on ZeSplash<sup>2</sup>

 You can also set up daily life reminders: open [ZeSplash<sup>2</sup> mobile application](#), Click on the reminders tab, set up your preferred reminder type and time. ZeSplash<sup>2</sup> will gently vibrate and display the corresponding icon to alert you.

## 7. VOICE CONTROL

---

Use the [Voice Control](#) feature to voice command your mobile device remotely or search information from the Internet.

To start using the feature, tap the [Voice Control](#) icon to open the respective page on ZeSplash<sup>2</sup>.

Then tap the [Voice Control](#) again to turn the function on or off.

*Examples of what you can ask or do:*

- Call (name of your contact)
- Send a SMS to (name of your contact)
- What's the weather like?
- Set an alarm for tomorrow 5 am

This feature is available with iOS 8+ devices that support Siri and Select Android 4.3 + devices that support Google Now. To use voice control, your smartphone must have access to the Internet using either 3/4G or Wifi

## 8. ACTIVITY

---

Tap [Activity](#) icon to open the Activity menu.

- Swipe left or right to see your results of steps, calories and active minutes
- Swipe up to get a detailed graph of your daily performance

## 9. HEART-RATE MONITOR

---

[Heart-Rate](#) menu allows you to monitor your heart-rate data, view your previous heart rate records to indicate your health status.

Tap [Heart-Rate](#) to enter the menu and press the screen to measure your heart-rate.

Make sure to wear ZeSplash<sup>2</sup> tightly onto your wrist and that its sensor lens is clean while monitoring heart rate to collect accurate data.

## 10. FIND MY PHONE

---

To enjoy this feature, make sure ZeSplash<sup>2</sup> is connected to your smartphone via Bluetooth and mobile app. Enabling Find my phone function will make your phone ring and help you find it.

## 11. CAMERA REMOTE

---

To enjoy this feature, make sure the camera of your smartphone is on. Enabling Camera Remote function will let you take pictures remotely, from your ZeSplash<sup>2</sup>.

## 12. APPS

---

Several applications can be found in this menu:

■ Calendar

■ Alarm

■ Calculator

■ Anti-Lost Alert

■ Stopwatch

■ Sound recorder

## 13. MUSIC

---

The music of your paired smartphone will be synchronized to ZeSplash<sup>2</sup>. In the Music panel, play / pause the current song streamed on your phone, choose the previous or next song.

## 14. SETTINGS

---

Use the Settings panel to configure the settings of your ZeSplash<sup>2</sup>

- Bluetooth
- Clock
- Wake screen on wrist flick
- Reset
- Sound
- Display
- Watch info
- Language
- Power display
